

Pay Your Bills Online

Let's Get Started!

Step 2.

► Pay Your Bills

- Under the [Payments](#) menu, select [Single Payment](#).
- View your list of payees. If you have a number of payees, you may need to scroll down to view them all.
- Click on the [box](#) next to each company you wish to pay.
- Select the account, the dollar amount of your payment, and the process date. (The process date is the day funds will be withdrawn from your credit union account.) Click [Next](#).

Tip! Please allow as least 3-business days for electronic payments to be received by the company. Allow 5-7 business days for all other payments to be received.

- Review your payment. Click [Submit Payment!](#)

Congratulations!

You have successfully paid your bills online.
