AEA Federal Credit Union Gives to Hospice of Yuma

Yuma, AZ, February 2, 2017 – As part of its goal giving back to the community, AEA Federal Credit Union recently presented a check in the amount of \$2,450 to Hospice of Yuma from funds raised during 2016 fourth quarter.

Employees participate in the Jeans Giver Program all year long and donate \$5 or \$10 from their paychecks to wear jeans on specific days of the week. Each quarter, the funds raised are given to a charity selected by employees.

“In what can be a difficult time for families, it’s great to know that Hospice of Yuma provides compassionate care for anybody in need of their services, whether they have the ability to pay or not,” said Brian Mendivil, President and CEO. “On behalf of the employees at AEA, I was pleased they were selected to receive our donation.”

AEA Federal Credit Union has been building relationships since 1942. They have \$245 million in assets and more than 31,000 members with five branches serving Yuma, Somerton and Parker, Arizona. Membership is open to anyone who lives, works, worships or attends school in Yuma and La Paz counties. For more information, visit aeafcu.org.

Deposits at AEA Federal Credit Union remain federally insured by the NCUA, an independent agency of the federal government up to \$250,000, and backed by the full faith and credit of the United States Government.
