You also have to comply with any other security procedures we may establish. Subject to the terms of this Agreement, you'll generally be able to access the Service through the Website 7 days a week, 24 hours a day. Sometimes the Service may be unavailable due to system maintenance or circumstances beyond our control. You must provide all computer, telephone and other equipment, software (other than any software provided by us) and services you need to access the Service.

When using the Mobile Banking Service, you may generally access Services through the mobile browser, our mobile app, or get certain information through text messaging on a Mobile Device.

3. Security

You need a username and password, or other AEA approved security and authentication controls, to access your Accounts through the Service. We may set standards for your username and password. We recommend that you change your password regularly, and select a unique username and password combination for use only with the Service.

We may also require additional security procedures for certain transactions. These additional security procedures may require special hardware, software or third-party services. To enhance the security of your Accounts, we may also offer you additional, optional security procedures. These could include personal reference questions and answers, random number generators or one-time passwords.

We may also require the use or activation of specific applications, Internet browser software features, plug-ins and add-ons, to use the Service. These could include JavaScript support and "cookies." To enable and enhance secure access to the Service, we may also access detailed information about the computers and Mobile Devices you use to access the Service. This could include telephone numbers and unique internal and network identifiers for your computers and Mobile Devices. We also use cookies and other technology for information security and other purposes.

You can reset your username and/or password within the Service or by calling 928-783-8881 or toll free 1-888-783-8881. Usernames and passwords must meet the standards we establish. These standards will be available for your reference whenever you create or change a username and/or password. We may require you to change or update your username and/or password at any time. If we change these standards, you may have to change your password to meet the new standards. We aren't required to give you advance notice that we have changed the standards, or that we're requiring you to change or update your password. You are responsible for keeping your password confidential: We recommend you select a unique username and password combination for use only with the Service, and memorize it rather than writing it down.

Even though information exchanged through the Service is protected by advanced encryption techniques while being transmitted, you still need to protect your username and password for the Service.

You must notify us immediately if you suspect fraudulent activity on your Eligible Account or if you believe that:

- Your password may have been lost or stolen.
- A Mobile Device you use to access the Service has been lost, stolen or compromised.
- Someone viewed, downloaded or deleted electronic records from your Account without your permission.

To notify us:

- **Call** 928-783-8881 or toll free at 1-888-783-8881
- **Sign** on at the Website and send us an email through your secure online session;
or
- **Write** to AEA, ATTN: MCC, P. O. Box 13000, Yuma, AZ 85366.

In the event of unauthorized use of your username and password, or any other security or authentication technique we use, you may be liable for resulting losses, to the extent permitted by law, unless you fulfill your responsibilities.

You agree that:

- We may place cookies and other identifiers on the computers and Mobile Devices you use to access the Service.

4. Terminating Access

For Violating the Agreement. If you violate any terms of this Agreement (including non-payment of fees under any applicable fee schedule) or any other agreement you have with us, you agree that we may suspend or terminate your access to any of your Services. We are not required to reinstate or re-activate your access.

Voluntarily. If you close all your accounts or withdraw from the Service, we may suspend or terminate your access without prior notification. We are not required to reinstate or re-activate your access. If you have no accounts linked to the Service, or don't use the Service for a period of 3 consecutive months, we may at our discretion terminate your access without prior notification. If you want to remove online access for an Account, email us through the Service or call us at 928-783-8881 or toll free 1-888-783-8881.

Involuntarily. We reserve the right, at our sole discretion, to restrict, suspend or terminate access to any or all services at any time for any reason, without prior notification or liability.

5. Electronic Funds Transfers

The provisions in this section apply only to Electronic Funds Transfers (EFTs) that debit or credit a consumer checking, savings or other asset account and are subject to Regulation E. When applicable, we may rely on any exceptions to the provisions in this section that are covered in Regulation E. All terms in this section not defined in this Agreement but defined in Regulation E will have the meaning given in Regulation E.

Your liability for an unauthorized EFT or a series of related unauthorized EFTs will be determined as follows:

If you notify us...	Your liability won't exceed...
Within two Business Days after learning of the loss or theft of your password	\$50; or the amount of unauthorized EFTs that occur before notice to us, whichever is less.
More than two Business Days after learning of the loss or theft of your password	\$500; or \$50, plus the amount of unauthorized EFTs that occurred within the two Business Days, plus the amount of unauthorized EFTs that occur after the close of two Business Days and before notice to us.

To avoid liability for subsequent transfers, you must report unauthorized EFTs that appear on a periodic statement within 60 days of our transmittal of the statement. If you don't, your liability won't exceed the amount of the unauthorized EFTs that occur after the close of the 60 days and before notice to us, and that we establish would not have occurred had you notified us within the 60-day period. You may also be liable for the amounts described in the table above.

If your delay in notifying us was due to extenuating circumstances, we'll extend the times specified in the immediately preceding paragraphs to a reasonable period.

Here's how to notify us when you believe that an error, unauthorized EFT, or unauthorized transfer has been or may have been made:

- **Phone.** 928-783-8881 or toll free 1-888-783-8881
- **Paper Mail.** AEA Federal Credit Union, P. O. Box 13000, Yuma, AZ 85366
- **In Person.** You may notify us at any one of our Branch Locations listed on our website.

You will receive a receipt each time the Service is used to make an electronic transfer to or from your account, unless the accountholder is notified otherwise before completing the transaction. The receipt is evidence of the transaction as recorded by the Service; all transactions are subject to posting, final payment or verification. You can use the receipt to reconcile the statement for the account.

You have the right to find out whether an EFT was credited to your account. To do so, contact us at the number listed on your statement for your account. We'll send you a monthly statement if there are EFTs in a particular month. Otherwise, we'll send you a statement at least quarterly.

To place a stop payment order on preauthorized EFTs, call us at the number listed on the statement for your Eligible Account at least three Business Days before the scheduled transfer date. We'll need:

- Your name and the account number associated with the transfer;
- The exact name of the payee;
- The exact payment amount; and
- The scheduled transfer date.

If you don't provide correct and complete information, we may not be able to stop payment of the preauthorized EFT. If we pay a preauthorized EFT despite a valid stop payment order, we may require you to provide us with an affidavit describing in detail the dispute.

You agree to indemnify and hold us harmless from and against any loss incurred by us if we don't pay a preauthorized EFT because:

- Any of the information relied upon in the stop payment order is incorrect or incomplete; or
- A valid stop payment order is in effect.

- Your use or reliance on the contents of any alert for any purposes.

The information in any alert may be subject to certain delays.

We may choose to let you download information into your Financial Management Software from certain accounts. We may also let you initiate Bill Pay instructions through your Financial Management Software. The accounts for which these options are available will be identified on the Website. We may also add to, modify, or delete any feature of your ability to access the Service through your Financial Management Software.

 - The accuracy, timeliness, loss or corruption, or misdelivery of any account information or any other information;
 - Unauthorized access to your accounts or to your account information and any misappropriation, or alteration, of your account information or data, to the extent the unauthorized access results from your acts or omissions;

 - Any other matter relating to the download, transfer or bill pay option.
- You understand and agree that:
 - Not all the information in your accounts can be downloaded into your Financial Management Software.
 - Information you can download may not include all of your account activity.
 - Statements we generate are the official record of account transactions, positions and balances; the information you download is for tracking purposes only and should not be considered an official record.

 - We won’t automatically update account information that you download to your Financial Management Software. You will have to update the account information by downloading more current information from your accounts.
- We aren’t liable for any loss, damages or expenses of any kind as a result of your reliance upon the Account information in your Financial Management Software (which may not be up to date and may not include pending transactions or purchases that haven’t settled).

- You assume all risk that unauthorized third parties may access any Account information you download and store in your Financial Management Software.
- If you send information in an unsecure manner or take the Account information out of our secure systems by downloading it, we're no longer responsible for the security and confidentiality of that information, and the responsibility is now yours (or may be shared with others, such as your Financial Management Software provider).

We shall notify you of any of these changes to features if we are legally required to do so. By using any new or modified features when they become available, you agree to be bound by the rules concerning these features.

9. Notices

You agree that by using the Service, all notices or other communications which we may be required to give you arising from our obligations under this Agreement or the Service may be sent to you electronically to any electronic mailbox we have for you, or at our option, another electronic mail address you provide to us or in any other manner permitted by law.

10. Online Service Fees

General access to the Service is currently provided to you at no additional cost. However, you may incur fees if you use or obtain some of the products or services available through the Service. We reserve the right from time to time to add or modify fees and will notify you when we do so. You will be responsible for paying any telephone company or utility charges and/or Internet access service fees incurred while using telephone lines and/or internet access services to connect with the Service. If you use personal financial management software to access your accounts (such as Quicken or Quickbooks), a fee may be charged for the use of those services and additional service terms and conditions may apply.
